Dear Parishioner

Subscriptions for our popular 123 Club and Parish Dinner fall due on 1 August 2018.

This has proved to be a wonderful opportunity for fellowship, an amazing meal including wine and juice, and lots of fun, and we do trust that members will continue to support our monthly evening.

The 123 Club is part of the fundraising for the improvement of our facilities, and we trust you will therefore continue with your membership.

It is not necessary to attend the monthly dinners to be eligible to win one of the three prizes

*Should you wish to continue your membership for next year, please complete the attached Application Form, and return it to Sharon in the Parish Office, together with the amount of R400 or you may make an EFT transfer directly into our account if you prefer **clearly indicating your name and that it is for the 123 Club.***

If you would prefer to pay your subscription in 2, 3 or even 4 tranches, this is perfectly acceptable
